

## ROBIN LEADING PEOPLE SHARING JESUS AT ALANA LANE BAPTIST

I had the privilege of kicking off 4 weeks of People Sharing Jesus Training at Alana Lane Baptist Church last night. Pastor Rod Averitt is a wonderful pastor who is leading his Church to be on mission for Jesus in reaching their community for Christ. I will be teaching PSJ every Wednesday in February for Alana Lane Baptist. This is a follow up to the Total Church Life Conference I taught there in the summer of 2014. The people of Alana Lane are wonderful and gracious. They are excited about what God is doing in their church.

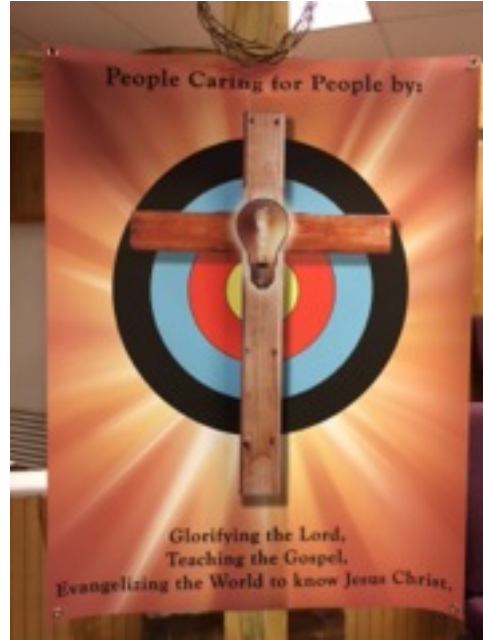

We had a wonderful start to PSJ last night as about 30 participated in the training. I taught the people on sharing their personal testimony. After spending a few minutes writing their testimonies, I instructed them to share the testimony verbally with their partner. I partnered with a Logan, a wonderful teenager. I asked Logan to share with me his testimony. Logan responded that he did not have a testimony. I asked Logan if he would like one and he said “yes.” I had the joy of leading Logan in a prayer receiving Christ into his life and committing himself to follow Jesus. After presenting Logan to the church as having received Christ, the Church responded in joy and applause.

Mission statement and logo for Alana Lane Baptist

What a tremendous blessing to start our PSJ training. God is truly awesome and never ceases to amaze me with his power. I am humbled to be included in God's mission upon this earth. I also want to thank my Father, Dr. Darrell Robinson for allowing me to serve along side of he and Mother (Kathy) as an associate with Total Church Life Ministries.

To God be the Glory!

Robin Robinson
