**First Baptist Church,  
Rome, Italy – Pastor Ivano & Antonelli.  
God gave many *Decisions* for Christ!**

After equipping Believers to witness, with enthusiasm we went into the Marketplace and shared Jesus. Several led people to Christ! This is the oldest Baptist Church in Rome, located in the Trasteveri Area near the ancient Coliseum.

PISTOIA, Italy is four hours north of Rome near Florence. It was a joy to summarize *Total Church Life and People Sharing Jesus* with Pastor David and wife Barbara assisted by interpreters Erica and Emma Jane. While there we visited an ancient Catholic church building (built in about 900 AD) that actually had a baptistery where people were immersed.

Next Seminar in Rome – Evangelical Church International with Pastor Francisco and professional interpreter, Olan De (below left), who volunteered her services! There were many decisions for Christ!

TORINO – Odilon and I rode the train to Milan, then by car to Torino where we did a seminar at the local church and we worked with Evangelist Salvatore and his REM Ministry. He has a large bus equipped with Bibles, Christian literature, tables, comfortable seats, soft drinks, coffee, snacks, etc. Witnessing Believers join with him and team to share Jesus! They park it on a busy street or in a park where many people are walking. We joined them in witnessing to people on the streets. It is very effective!

My last service in Italy was in Pastor Pasi's church in Milan. I have many friends there! We had a great service. It is a small, new church, but people came to Christ. This outstanding couple (pictured below left) made their decision for Christ.

Camila and Shirantha (above right) are lovely and powerful witnesses for Christ. I had the joy of equipping them!

## TOTAL CHURCH LIFE BRAZIL REPORT

**April was a joy time for me in SAO PAULO and SANTOS, Brazil.**

First, Odilon and I led a *Total Church Life* (TCL) Revival at Centinario Baptist Church in Sao Paulo! God greatly blessed with many decisions for Christ. We trained the people to share Jesus in homes and on the streets. People had fear about going out, but trusted Jesus and went anyway!

These young ladies were afraid but went! The pastor went with me and three young people. He had made appointments, but they were not at home! He was disturbed. I said, "There are some people down on the corner. Let's talk to them!"

At the corner was a bar. I just walked in and began to talk to the bartender and the six men at the bar. I told them that we are from the church and we are out sharing Jesus with everybody.

"May we share Christ with you guys for a few minutes?" The bartender agreed. I took my pen and a piece of paper and shared the "*Lifeline*" presentation of the Gospel. Then, I asked them to believe in Jesus, repent, and pray and ask God to forgive them and for Jesus to come into their hearts!

The bartender and four of the men prayed, then, they all took my hand and said that they would follow Jesus! We prayed for them, wrote down their names for follow-up, and left rejoicing in the Lord! The pastor was amazed. I taught the young people that God loves every person and wants to save every one of them, therefore, we need to share Christ with all of them!

**That night many came forward making decisions for Christ!**

## ON TO SANTOS FOR THE BRAZILIAN BAPTIST CONVENTION!

*Vida Total da Igreja* (Total Church Life Ministry) has a booth every year at the convention to Network, Train Pastors and Leaders, and Impact the churches.

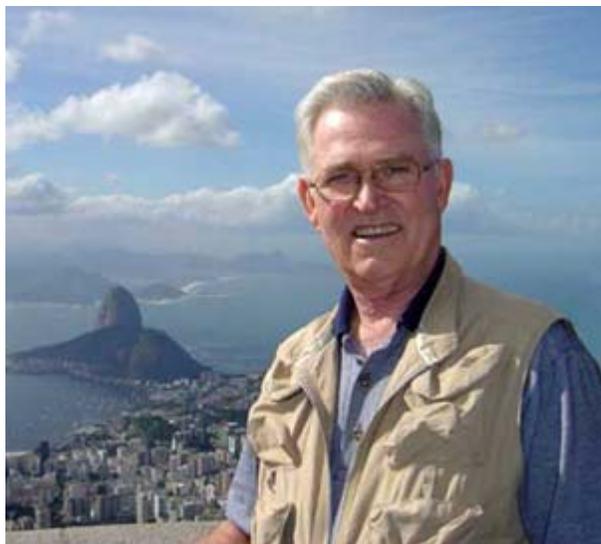

Thank you for your prayers for *Total Church Life Ministries*. God is blessing abundantly. God is using my son, Robin Robinson, in a great way through preaching and teaching. This week he is helping a church in the Houston, Texas area with a *People Sharing Jesus Seminar*!

God has given us a full schedule this year. The Southern Baptist Convention has reported baptisms are becoming fewer each year. That is no surprise with such a de-emphasis on sharing Jesus and leading people to Him.

We must continue to obey Jesus and help churches large and small to obey His Great Commission to reach every person in their area with the Gospel of Christ and equip them to reach others!

Evangelism is not truly Biblical until those who are evangelized are equipped and are evangelizing others. That is ***Biblical Discipleship!*** Thank you for your prayers, encouragement, and financial support to help us continue!

With joy and prayers!
