November 16, 2016

During the Summer months we spent a great deal of time doing personal ministry with pastors, leaders and family. It was a time of physical recovery for my eyes. I had cataract surgery on both eyes. The right eye has recovered and I see well. The left eye is another story.

My vision in my left eye is distorted by Macular Degeneration and retina problems, but it has stabilized. I can drive, read, preach and teach so I am continuing in our usual ministries.

While I was in Italy this summer, our dear friend **Shirley Phelps** died. She had asked me to preach her funeral. In September Kathy and I drove to Mineral Wells, Texas to minister to her husband, **Sam**.

For years they have been partners with us in Total Church Life Ministries. Sam was formerly City Manager in Vernon, Texas.

God blessed our time with Sam!

Dr. Roy Smith is the outstanding pastor of Arcadia First Baptist Church, Santa Fe, Texas. We led **People Sharing Jesus Witness Training** and spent October 1 - 5, 2016 preaching and teaching. The church has 41 ministries with which we worked to bring together to focus on reaching the entire population for Jesus and equip them to witness and minister. God blessed with many decisions. I, also, had the joy of speaking to and dialoguing with area pastors.

Commitment Service

October 8 – 12, 2016:

We had the joy of being with First Baptist Church, Fort Stockton, Texas with **Pastor Philip Riegel** and his wife, **Donna**. We began on Saturday with **People Sharing Jesus Witness Training** and went on the streets to witness. I had the joy of leading a father and two boys to Christ. We spent our time preaching, teaching and witnessing home to home and in businesses.

A fine witnessing friend of the pastor, **Clint Freeman** from Dallas, Texas, spent a week of vacation giving his time witnessing and encouraging. **Donna Riegel** is a fine musician. She played the keyboard and piano and led the singing. We saw numbers of people saved and others come to a renewed commitment to Christ. ***This was a 13 hour drive – Open Country!***

When we arrived home, we found our long-time friend and partner in Total Church Life Ministries, **Wendell Rozzell**, had died of cancer. I was asked to help with his funeral at First Baptist Church, Vernon, Texas. The church was filled with people that he and his wife, **Carolyn's** ministry had touched for Jesus. He was truly an example of a Lay Minister. He and Carolyn were a team for Jesus! Both of them prayed for and gave to help Total Church Life Ministries!

We had the joy of fellowship with God's anointed pastor of the church, **Gib Baskerville** and his wonderful pastor's wife, **Wilelaina**. She is one of those precious ladies who just knows what to do to make a difference in any situation.

God delivered Wendell from his suffering of pancreatic cancer to His Glorious presence in Heaven and Carolyn has Victory in Jesus.

Plans for The Times Ahead!

November 9, 2016, we celebrated our daughter, **Lori's** 54th birthday. She had a major Chemo Infusion for cancer at noon, but was able for us to take her and husband **Eddy** out for dinner, then, home for birthday cake!

I will have the joy of taking **Lori** to the Baylor/Kansas State football game on November 19, 2016 and be with **Katie**, her Baylor University freshman daughter.
